

## Job Market

On 11 April 2011 the Netherlands-Polish Chamber of Commerce and the Belgian Business Chamber in cooperation with the Embassy of the Kingdom of the Netherlands and the Flemish Representation, Flanders Investment and Trade are organizing a Job Market for Dutch speakers. This event will take place in the building of the Embassy of the Kingdom of the Netherlands in Warsaw, ul. Kawalerii 10, 00-468 Warsaw, from 13.00 till 17.00. Participation in the Job Market is free of charge.

As the number of Dutch and Belgian companies in Poland is growing, the need for local staff speaking Dutch is ever increasing. Several universities in Poland have excellent Departments for Dutch language studies, which enjoy an ever increasing popularity. The Job Fair is set up in order to bring together interested companies and potential candidates.

We would like to invite all companies looking for Dutch speaking staff to participate in this event. Previous editions brought positive results; not only contacts, but also contracts!
